Connectors	4 x HDMI (Output)
Connectors	1 x HDMI (Input)
Width (mm)	238.76
Depth (mm)	116.84
Net weight (kg)	1.36

PRODUCT DESCRIPTION

SQM Rental House presents the Gefen EXT-HDMI1.3-144 video signal splitter. The splitter's main task is to distribute the HDMI signal from one source to four outputs. This makes it possible to simultaneously display multimedia content on four monitors.

The biggest advantage of the splitter is support for 1920x1200 and 1080p resolutions at 60Hz refresh rate, 12-bit color depth and 4:4:4 sampling. EXT-HDMI1.3-144 works in the 225MHz signal band and is compatible with the Dolby TrueHD and DTS-HD Master Audio standards.

Splitter consumes 13W of power and is run by a 5V DC supply.
