Depth (mm)	155

PRODUCT DESCRIPTION

We recommend 4K Media Box, a compact multimedia player that allows you to watch movies in 4K quality with subtitles, play photos or listen to music directly from an external memory - the disk, memory card, or other devices that supports the USB port. Multimedia can be played on any TV or screen that supports HDMI or AV output.

4K Media Box allows you to play video file formats such as AVI, MOV, MP4, DAT, TS, VOB, AVI, XVID, MKV, M2TS, H.263, H.264, RM / RMVB, MTS, TP, or AVC HD with subtitles in SMI, ASS, SSA.SRT, SUB, SUB + IDX, and ISO/DVD Navigation - all possible in 4K! The player has an image decoding function.

Images can be displayed in a slideshow, transition, or interval mode. The equipment is equipped with an HDMI output, AV output, SD card slot, IR sensor, and USB port. The set includes a remote control, power supply, and user manual.

The player supports English, French, German, Italian, Swedish, Danish, Portuguese, Spanish, Dutch, Polish, Turkish, Czech, Hungarian, Thai, and Hebrew.
